Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My Immortal is a story based on the strength of the endless boundaries of loves infinity, along with the power of spiritual connection. This story puts a different spin and a certain truth on that oh so familiar tale of, Life after death. His physical death causes him to cross over to the other side; she spiritually dies but needs to get to the other side. This separation creates a huge void in both of their lives that causes a mandatory rebirthing of their spiritual connection. Once reborn, their spirits experience a journey that they would never have dreamed they could ever be apart of. Even though his physical self had expired, his spiritual self lives on. And even though she still resides in her physical self, she was able to tap into the spiritual realm of things in order to help herself communicate, visit, and be swept off on endless trips to the other side in the middle of the night, to congregate, and mingle with those who live and exist only as spiritual beings! I stirred up your passions under the apple tree where you were born, Always keep me in your heart and wear this bracelet to remember me by. The passion of love bursting into flames is more powerful than death, stronger than the grave ! Song of Songs 8:56 (She speaks).
