Reviews

It is one of the most popular publications. We have read through it and I am sure that I will likely study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best PDF for actually.

ECONOMICS (HARDBACK)

McGraw-Hill Education - Europe, United States, 2011. Hardback. Book Condition: New. 19th Revised edition. 259 x 208 mm. Language: English . Brand New Book. Samuelson s text was first published in 1948, and it immediately became the authority for the principles of economics courses. This book continues to be the standard-bearer for principles courses, and this revision continues to be a clear, accurate, and interesting introduction to modern economics principles. Bill Nordhaus is now the primary author of this text, and he has revised the book to be as current and relevant as ever.
