Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. As the survivors of the catastrophe that turned Earth into a barren rock are settling on their new planet, an enemy from a past encounter finds them and a new fight for survival begins. \*\*\*\*\* There s a ship coming around from the dark side of the planet. I ve tried communicating with it, but have so far received no response, Lauren informed. Is it the Cyroux? Joel asked. It doesn t look like the original craft we saw. Then, as the vessel cleared the planet and moved away from the murky effect of the atmosphere, Lauren leapt from her seat and lunged for the captain s chair. It s the ship that attacked us, she yelled. Get out of there, Joel called, go anywhere, just get away. Lauren pulled on the headset used to control Terra s systems and was just about to instruct the ship to go to warp, when the screen was swamped by a powerful pulse of energy. As the alien vessel grew larger, Lauren realized Terra was moving towards it when a set of numbers, indicating their location in space, changed rapidly on the holographic display which appeared ahead the moment her brain waves connected with the ship s systems. She instructed Terra to go to warp. Space ahead blurred slightly, but before the craft could make the leap, a pulse of energy was fired from the attacking vessel again and the warp drive was disabled. They ve got us in a tractor beam, we re being dragged towards them, she told the captain on the surface. She now instructed the ship to reverse. For a moment, the numbers on the holographic display held...
