

Worth Their Salt Too: More Notable But Often Unnoted Women of Utah

Filesize: 6.82 MB

Reviews

It is one of the most popular ebooks. I have got to study it and I am certain that I am going to likely read it again and again in the future. I am happy to inform you that this is actually the greatest ebook I actually have studied inside my very own life and might be the best ebook for possibly.

Utah State University Press, Logan, Ut, U. S. A., 2000. Paperback. Book Condition: New. 087421288X Brand new softcover book! ; A follow-up to the highly successful *Worth Their Salt*, published in 1996, *Worth Their Salt, Too* brings together a new set of biographies of women whose roles in Utah's history have not been fully recognized, despite their significance to the social and cultural matrix, past and present, of the state. These women—community and government leaders, activists, artists, writers, scholars, politicians, and others—made important contributions to the state's history and culture. Some of them had experiences that reveal new aspects of the state's history, while others simply led lives so interesting that their stories beg to be told. This new collection demonstrates, as *Worth Their Salt* did, the diversity of Utah's society and the many different roles women have played in it. All sixteen biographies are original pieces by many noted authors from around the state, including Jeffery, Johnson, Kristen Rogers, Carma Wadley, Patricia Lynn Scott, and Judy Dykman. As with *Worth Their Salt*, Colleen Whitley has been asked again to be a guest lecturer for the Utah Humanities Council for the 2000 calendar year. All royalties from the sale of *Worth Their Salt, Too* will be donated to the Utah Historical Society Library. ; 6" x 9"; 322 pages.
