SPEAK NO EVIL (PAPERBACK)

Nine Tribe is a collaborative effort to shine light on Domestic Violence. What started out as an optimistic hope for what could be; Has turned into an overwhelming surge of energy. This all started as a tribute to a very special woman from our tribe What could she do to make her stand out? She took a stand against abuse. .Specifically child abuse; and it cost her greatly.yet to date.she still wages against this war. What most people don t realize is that personally, she has also been fighting a war against illness. She makes it all look so effortless. It is an honor to know her.and a true privilege to love her. Who wouldn t be inspired by this? So what followed was nothing short of miraculous. While we were hoping for at least 9 women, who would be willing to not only write about abuse, but support one another.in this most unique way. While we hoped for nine heroines. Instead. We were gifted with TWENTY-FIVE! And Nine Tribe was born. Not only have we created a great book, which will hopefully give people in violent situations hope. But we came together As Women. From different backgrounds, locations and experiences. . All for the purpose of being the Light at the end of one another s tunnel. And as if all of that wasn t great enough- It has inspired our first ever.online book writing club- where new authors become active by blogging and entrepreneurs by creating and marketing their own books. We have created a group on Facebook where this all takes place Speak No Evil Book Writing Club.
