Portals Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Soon after King Arthur died, Merlin found another home to take the remaining knights and their families. It was a world similar to Earth but possessed no metals which could kill or maim. Animals and beings from other times lived there: unicorns, mammoths, Elaven harrimen lived alongside jachawks and jaclets in perfect peace with the human latecomers. But the humans eventually brought forth a leader who lusted after metal and urged his followers to discover any place it may exist. Their resultant search in the mountains where Merlin s soul resided disturbed him, forcing him to send out a message over the ley lines to any of his descendants for help. Francis Steel and others of his kin responded, entering a world unlike anything they could imagine but not knowing what for or why or how to return home. Merlin s Kin includes a discussion guide for academic classes, book clubs, journaling, or self-reflection.
