

Cochrane: The Fighting Captain (Paperback)

By Robert Harvey

Little, Brown Book Group, United Kingdom, 2002. Paperback. Condition: New. Language: English . Brand New Book. The adventures of the daring Thomas Cochrane, called the sea wolf by Napoleon, are so extraordinary that his life reads like a page-turning work of fiction. In one sense it became so, for the novelist Patrick O Brian by his own admission used Cochrane as the basis for Jack Aubrey, hero of his much-loved series of naval novels. Cochrane became a household name when in 1800 he took command of the tiny brig, the Speedy, and created mayhem in the Mediterranean earning himself and his crew a fortune in prize money. A wildly contradictory character, never less than heroic, and this lively new account of his life has sold over 7,000 copies in hardback.

Reviews

It is one of the best ebooks. It is one of the most incredible pdfs I actually have to go through. I am just easily getting a satisfaction of looking at a composed book.

A must buy book if you need to add benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.
