Benjamin Williams Publishing, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Think you ve heard everything about addiction? Not even close. There has been so much focus on drugs and alcohol that many addicts themselves have slipped through the cracks. Do you know it is possible to be addicted to almost anything? With the right brain chemistry, you may be in trouble long before you know it. Food, love, sex and relationships can be as addictive as any drug. We live in a world that equates success with more. It s the perfect set up. It s easy to mistake a power and control addict for a successful person. Many people who stop one addiction, simply move on to another. The alcoholic becomes a drug addict. The drug addict becomes a gambler. The gambler becomes a power and control addict, and his or her children eat everything in sight. It s time for us to recognize addiction in all of its disguises and to understand it causes, conditions and solutions. Paulette Eason has been a Certified Alcohol and Drug Counselor for 11 years and has personal insight into the disease of addiction. This information is key to understanding and addressing addiction in our lives. It s worth reading every page to know the truth.
