Taylor Francis Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 2nd Revised edition. 226 x 175 mm. Language: English . Brand New Book. This updated edition of Bornstein s formative My Gender Workbook (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein s other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader s life and in the broader culture while arguing for the dismantling of all forms of oppression. Since its first publication in 1997, My Gender Workbook has been challenging, encouraging, questioning, and helping those trying to figure out how to become a real man, a real woman, or something else entirely. In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and...
