Farrar, Straus & Giroux Inc. Hardback. Book Condition: new. BRAND NEW, The American People: v.1, Larry Kramer, In this first volume, which runs up to the 1950s, we meet prehistoric monkeys who spread a peculiar virus; a Native American shaman whose sexual explorations mutate into occult visions; and early English settlers who establish loving same-sex couples only to fall prey to the forces of bigotry. George Washington and Alexander Hamilton revel in unexpected intimacies, and John Wikes Booth's motives for assassinating Abraham Lincoln are thoroughly revised. In the twentieth century, the nightmare of history deepens as a religious sect conspires with eugenicists, McCarthyites, and Ivy Leaguers to exterminate homosexuals and the AIDS virus begins to spread. Against all this, Kramer sets the intimate heartfelt story of a middle-class family outside Washington, DC, trying to cope with the darkest of times. The American People is a work of ribald satire, prophetic outrage, and dazzling imagination. It is an encyclopaedic indictment, written with outrageous love.
