Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WINNING! Yes it s a lot more fun when you win. Someone said, It doesn t matter if you win or lose.until you lose! Now that s real truth. This book shines a bright light on how to shape your future, get rid of unwanted habits, and add a new dimension to your life and belief system. It is a collection of winning strategies, ideas, articles and formulas to make you a winner in every phase of your life. Written by Roger W. Breternitz CChT. it contains secrets of the world champions, insights about turning your desires in to actual reality, and converting ideas into deposits for your bank account, along with just how to attract joy in your life. He draws from a wealth of 37 years of professional business sales and management, being a leader and manager in the professional sales arena, a professional musician/band leader, tennis and ski instructor, engineering designer, writer for a national sports magazine, and hypnotherapist with 27 years experience in helping people restructure, and motivate their lives. There are many self-help books and CDs on the market, but very few of them tell you the secrets of how to actually restructure your belief systems of what you think you can achieve. This belief system is the guidance or GPS system of your life, and unless it is calibrated on a regular basis, it s liable to be taking you places you would rather not go and keep you from getting to the place you want to be, of harmony and enjoyment. This book deals with why we have a flaw in this guidance system, how to fix it, and then just let it...
