Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).
(Santina Sanford)

A LIBRARY OF TALES - VOL 1 2017 (PAPERBACK)

Catholic Truth Society, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Lady Herbert's Wayside Tales are in the classic vein of 'improving literature' CTS published thirty volumes of them in 1899; some were still in print two decades later. The Two Sisters is a case-study in the perils Victorian life afforded to penniless women orphans: drink, and concubinage. The Story of a Conversion encourages servants not to let fear of losing their position prevent them from becoming Catholic; whilst Can Both Churches Be True? is a sort of Socratic dialogue about the problems of the Anglo-Catholic 'branch theory' (whereby the Church of England is that part of the Church Catholic in England). It contains some good hits ('It's making the truth just a matter of geography!') but is hardly fiction in any strong sense. The other three stories are concerned with deathbed or near-deathbed conversions. It is easy to suppose all these stories were drawn from life, even the Italian local colour (Lady Herbert became Catholic whilst living in Palermo).
