COPS vs. The Constitution The Neo-Progressive Exploitation of Law Enforcement

By Tim L. Smith

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 404 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Cops vs. The Constitution is a new Current Affairs book that takes a philosophical approach to the taking for grantedness of Law Enforcement by Politicians, Special Interests, Bureaucrats, Lawyers, and Corporate Lobbyists, who then create the modern Legal System. Operating from within this legal system, the cops Oath to uphold the Constitution and to enforce its mandated Rule of Law becomes virtually impossible. Instead, what we have is the enforcement of a neo-progressive legal system, which undermines the very foundational principles of our Republic, such as the Separation of Powers. Contrary to the security of the fundamental rights and liberty of the individual, authoritarian collectivism, social engineering and the legal plundering of property are being forced onto the American people through the exploitation of law enforcement. This is happening at all levels of American government, while systematically advocating the necessity of such policy for the public's safety and for national security. This book also seeks to answer age-old philosophical questions in a contemporary perspective; What is the just and moral role of government? What did the American founders say? What...
