BLUE RIDGE CHINA TREASURES (PAPERBACK)

Schiffer Publishing Ltd, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Here is a wonderful new look at the popular and highly collectible Blue Ridge China produced by Southern Potteries of Erwin, Tennessee, from 1938 to 1957. Expanding upon the research done for their first two books (Blue Ridge China Today and Blue Ridge China Traditions), the authors provide a comprehensive, pictorial review of these beautiful, hand-decorated wares. Written with young and future collectors in mind, the book contains a special focus on exciting children s pieces made at the pottery. In addition, collectors of all ages will find an extensive assortment of the wide-ranging dinnerware and china pieces for which Blue Ridge is so well known. Included are many newly identified patterns, newly discovered pieces, and different pieces and shapes for some old favorite patterns. The invaluable appendix contains pattern numbers, matching glassware, backstamps, and a new section featuring many of the original rubber stamps used at the pottery. Suggested prices in the captions and a separate Price Guide are based on the authors careful and constant monitoring of sales from the Internet, auctions, antique malls, and garage sales. This is a delightful celebration of the timeless and much-loved Blue Ridge China.
