Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.
(Ollie Powlowski)

THE CINDER PATH

FABER FABER, United Kingdom, 2010. Paperback. Book Condition: New. Main. 197 x 129 mm. Language: N/A. Brand New Book. Andrew Motion's new collection (his first since *Public Property* in 2002) offers a ground-breaking variety of lyrics, love poems and elegies, in which private domains of feeling infer other lives and a shared humanity - exploring how people cope with threats to and in the world around them, as soldiers, lovers, artists, writers and citizens. The conversational tone and formal variety of these poems both shapes and diversifies their response to loss and its inevitabilities. Here are poems about the last surviving veteran of the trenches; poems which work with found materials drawn from the contiguous worlds of prose; and, poems which elicit the parallel lives glimpsed in paintings, or the other lives of birds, trees and weather (as of an ordinariness just out of reach). An unemphatic evenness of handling, in the detailing of ordinary destinies, alternates with capacious panoramas of longing and summation, and the collection ends with a remarkable group of directly autobiographical poems about the life and times of the poet's father.
