Sourcebooks Fire, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. An inspiring and achingly honest story of a girl with the courage to endure, hope, and even heal in the face of unimaginable tragedy, perfect for fans of Sarah Dessen's Just Listen. I have three months left to call Katie my older sister. Then the gap will close and I will pass her. I will get older. But Katie will always be fifteen, eleven months and twenty-one days old. Hannah has survived high school by putting up walls. At first, they were meant to protect her from the relentless bullying that no one would defend her from, not even her popular older sister, Katie. Then Katie died, and, in a cruel twist of fate, Hannah's daily torment abruptly stopped. Now the walls try to shut it all out-the grief, the loneliness, and the harsh truth that Katie's death has somehow improved Hannah's life. Then something happens that Hannah couldn't have predicted-friendship comes knocking in the form of new student Josh Chamberlain. Hannah has never been so desperate for connection. But if this isn't for real, if it's just another joke, Hannah's not sure she can take it. Praise for Protected: Zorn shows the devastating effects of bullying while affectingly tracing Hannah's spiritual journey, coming to terms with truths she doesn't want to face and learning how to trust. --Publishers Weekly, Starred Review Though the book tackles important issues, it reaches far beyond these flash points into a fully developed exploration of the aftermath of tragedy through strong characterization and genuine emotional appeal. -Kirkus, Starred Review.
