Bell Bridge Books, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One priceless manuscript. Five untamed children. A widowed earl in search of an heiress. And a scholar-disguised-as-a-governess with designs on his library. Has a happy ending ever been more unlikely? Plain Esmerelda Fortune must make her own way in the world, which is difficult for a lady when the men of her class seem to want beauties with no brains. She plans to take employment with the Earl of Ashforth for as long as it takes to gain access to the Life of Corinna-a rare manuscript rumored to belong to the earl and the key to her paper for a scholarship prize. That prize will allow her to open a school for young ladies who want more from education than painting and embroidery skills. Julian, Earl of Ashforth, needs an heiress or the Ashforth name and estates are forfeit. Julian is no stranger to sacrifice and duty in the name of maintaining the Ashforth facade of perfection. He s resigned to marry for money, but first he must tame his unruly children. Miss Fortune seems the perfect candidate for the job-that is until the gray-eyed governess arrives at Ashforth Abbey and proceeds to turn his life head over ears.
