### **Reviews**

*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

As personal assistant to the rich and famous Beauford brothers, Sammy Anderson spends his days catering to his employers needs--and his nights with the beautiful women who don't mind using his bed as a stepping stone to his bosses. His life may not be glamorous, but he's happy enough--until he meets interior design assistant Pam Carson and realizes what he's been missing. Surrounded by her glamorous, accomplished family and talented bosses, unassuming Pam tends to blend into the background. She wouldn't expect Sammy Anderson to look at her twice, so why is it this gorgeous errand boy can't seem to stop staring at her? When they join forces to make sure Jackson Beauford's benefit concert goes off without a hitch, Sammy tries to make Pam see that this connection they share is special. But she's convinced her ordinary existence could never be enough to make him give up his sparkling life in Beauford. During a star-studded week in Merritt, will these two underdogs finally step into the spotlight to find their own fairy tale? Sensuality Level: Sensual.
