

Boosting Learning in the Primary Classroom: Occupational Therapy Strategies That Really Work with Pupils

By Sheilagh Blyth

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Boosting Learning in the Primary Classroom: Occupational Therapy Strategies That Really Work with Pupils, Sheilagh Blyth, Boosting Learning in the Primary Classroom is your one-stop practical guide to understanding the physical development of children and how this affects their ability to learn. Not only does it explain the reasons behind the theories but provides over 75 practical tips that really work in the classroom. The book is based on a successful five-step approach to help children acquire the skills needed to manage at school and daily life. It works by being able to pinpoint a problem, assists others in recognising the impact that difficulty is having to the child and then provides strategies to develop that child's specific skills. Using the latest medical research and established occupational therapy techniques to obtain great results, this approach provides teachers with the tools to use different knowledge and strategies to engage children in the learning process. * Key ideas explored include: * Exploring the reasons for poor handwriting * Increasing Disability Awareness * The link between body posture and concentration * Dyspraxia in a school setting * Play develops learning * Understanding sensory...
