Reviews

Completely essential study publication. Better then never, though i am quite late in start reading this one. I am very easily could get a delight of reading a composed publication.

(Marilyne Macejkovic)

AFOOT IN ENGLAND (PAPERBACK)

John Beaufoy Publishing Ltd, United Kingdom, 2015. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. William Henry Hudson was born in Argentina, the son of American settlers from New England. He spent his youth studying the local flora and fauna, and, as a young man, travelled widely on horseback, visiting Brazil, Uruguay and Patagonia. In 1869, at the age of 28, he settled in England and began a new life as a wanderer and field naturalist. Despite many years living in poverty in London, when his country rambles were an escape from a life that then held few other pleasures, he eventually achieved fame with his books about the English countryside, which in turn helped foster the back-to-nature movement of the 1920s and 1930s. Afoot in England recounts Hudson s wanderings from village to village across the south of England, from Surrey to Devon and Cornwall, and along the East Anglian coast. It speaks as powerfully today of the simple pleasures of the English countryside as when it was first published in 1909. Robert Macfarlane is a Fellow of Emmanuel College, Cambridge, and the author of Mountains of the Mind, The Wild Places, and The Old Ways Stanfords Travel Classics feature some of the finest historical travel writing in the English language, with authors hailing from both sides of the Atlantic. Every title has been reset in a contemporary typeface to create a series that every lover of fine travel literature will want to collect and keep.
