Abrams, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. This stunning debut captures the grotesque madness of a mystical under-land, as well as a girl's pangs of first love and independence. Alyssa Gardner hears the whispers of bugs and flowers--precisely the affliction that landed her mother in a mental hospital years before. This family curse stretches back to her ancestor Alice Liddell, the real-life inspiration for Lewis Carroll's *Alice's Adventures in Wonderland*. Alyssa might be crazy, but she manages to keep it together. For now. When her mother's mental health takes a turn for the worse, Alyssa learns that what she thought was fiction is based in terrifying reality. The real Wonderland is a place far darker and more twisted than Lewis Carroll ever let on. There, Alyssa must pass a series of tests, including draining an ocean of Alice's tears, waking the slumbering tea party, and subduing a vicious bandersnatch, to fix Alice's mistakes and save her family. She must also decide whom to trust: Jeb, her gorgeous best friend and secret crush, or the sexy but suspicious Morpheus, her guide through Wonderland, who may have dark motives of his own. Read all the books in the New York Times bestselling Splintered series: *Splintered* (Book 1), *Unhinged* (Book 2), *Ensnared* (Book 3), and *Untamed* (The Companion Novel). Get books 1 through 3 in the Splintered boxed set, available now! Praise for *Splintered*: STARRED REVIEW Fans of dark fantasy, as well as of Carroll's *Alice* in all her revisionings (especially Tim Burton's), will find a lot to love in this compelling and imaginative novel. --Bulletin of the Center for Children's Books Alyssa is one of the most unique protagonists I've come across in a while. *Splintered*...
