## PARTLY CLOUDY WITH A CHANCE OF RAIN --EQUIPPING YOUR SPIRIT TO UNDERGO A PHYSICAL ILLNESS

Paperback. Condition: New. 156 pages. From author Adrienne Willis comes an inspiring and empowering guide to help you make it through even the most challenging health crisis. It is my belief that each of us lives a forecast that's partly cloudy with a chance of rain. We shouldn't live in fear of it, nor should we develop anxieties about it being our turn. My grandmother always says, "If you keep on living, you're going to go through some sickness. It may be short-term or it may be long-term. It may be curable or it may be fatal. How will you go through it? Will you give up and give in? Will you trust God every step of the way? Are you expecting sunshine after the rain?" It is my hope that this book equips you to go through any sickness with VICTORY! With humor, personal insight, prayers, and Scripture, this book will bring you courage and the strength to persevere because God is bigger than any sickness! Hope, faith, trust words that can uplift you allow them to take root in your spirit. They are sure to grow gardens of miracles and victories along your journey.
