By James Williams

Trafford Publishing, Canada, 2014. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is about prayer. I realize that as a child of God, we have the victory, but many of us are struggling with strongholds that have been passed down from generation to generation, and as a result those strongholds are keeping us from living victoriously in certain areas of our lives. This book, when the principles are applied will help us to Turn Our Defeat Into Victory, and the weapon that we are going to use is PRAYER. Once we realize that behind every situation that we face, there are spiritual powers and rulers of darkness at work, and before we can tear down the strongholds that the enemy has built, we must be able to recognize who he is. The Bible lets us know in Ephesians 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places, and now that we know who the enemy is we can move our weapons into place, and that weapon is PRAYER.

*Excellent electronic book and helpful one. Better than never, though I am quite late in starting reading this one. You won't truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).*
