THE IBS ELIMINATION DIET AND COOKBOOK (PAPERBACK)

[DOWNLOAD](#)

Random House USA Inc, United States, 2017. Paperback. Condition: New. Expanded, Revised. Language: English . Brand New Book. The complete guide for overcoming IBS by discovering your triggers and building a personalized, doable, and fulfilling diet around nutritious, delicious foods that let you finally feel your best. Patsy Catsos, MS, RDN, LD, pioneered the use of the low-FODMAP diet to find your unique FODMAP fingerprint when she self-published IBS--Free at Last!, ushering in a new era of treating IBS through diet instead of medication. Written for at-home use, her book quickly established itself among doctors and other specialists as an invaluable tool for anyone suffering from IBS, Crohn s disease, ulcerative colitis, SIBO, and gluten sensitivity. This new, definitive edition offers the theory along with a program that walks you through eliminating FODMAPs (difficult-to-digest carbohydrates found in a variety of otherwise healthy foods) and adding them back one by one--the most usable, thorough program available. And its 56 delicious recipes, 24 full-color photos, and comprehensive guides to high- and low-FODMAP foods make this the bible of the low-FODMAP lifestyle. Here is your plan for eating well while finally feeling great. Note: This is the updated and expanded edition of IBS--Free at Last, including its landmark 8-step program.
