Secret Quay Media Inc., 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.To say that a picture is worth 1000 words may often seem so cliché but at the same time it is appropriate in pointing out Things That Happen By Chance. This delightful children's book examines the world of one real little boy, coincidentally named Chance, learning some simple life lessons. In a growing visual interactive experience Things That Happen By Chance will have children everywhere saying, that's just like me while parents will be thanking Chance for re-affirming, in his own funny way, the same advice they give to their children. From the simple social graces of please and thank you, to being considerate of others, being honest and helpful and always doing the right thing, Chance learns how easy it is to be a nice person no matter where you live or what your circumstances are. Simple to read, in a font we created using Chance's own actual handwriting, this 72 page full color book takes real life natural photographs caught in fleeting moments in time to bring about a fun discussion on a myriad of events in a child's daily life. Seeing and reading his often funny advice about his activities and adventures as they happen makes a great conversation starter for parents and child educators alike. Universal in its message Things That Happen By Chance is the first in an original book series. It takes a closer look at the little things in life while offering children some advice through the eyes of a curious little boy, just like them. Things That Happen By Chance will surely touch the hearts of children the world over and be passed along to others for generations to come.
