All of my Dad s spy gadgets are totally top-secret - I d love to download and read instructions about them, but every gadget is classified. Sometimes, I borrow a gadget to take to school to show my friends, and they are totally impressed by it. Because it s such fun to mess with my teacher s minds, on Tuesday, I threw some gadgets in my bag, said bye for now to my parents and headed to school. It started out like any day - until zombies starting attacking my school! I tried to call my Dad, but by now he was on another mission and wouldn t answer! I tried to talk with the zombies, but they couldn t understand me. I needed to buy some time to formulate a plan, but by the afternoon, I realized my school was about to be taken over by crazy zombies. and it was up to me to stop them by any means - either by the book or by breaking the rules!.
