

A Beginner's Guide to Autism Spectrum Disorders: Essential Information for Parents and Professionals (Paperback)

By Paul G. Taylor

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. What is Autism Spectrum Disorder? What does a diagnosis of ASD mean for the child and for you? How can you learn to fully understand behaviours common to ASD and help the child grow and prosper? This short introduction is an ideal starting point for anyone encountering ASD for the first time. The book covers all of the essential information needed to ground an understanding of the condition and offers effective practical strategies for assisting children who are living with ASD. It advocates putting aside conventional thinking and considering things from a different perspective - the way that the child with ASD sees the world. This concise and straight-talking guide to ASD will ensure parents, carers, teachers and other professionals feel confident, informed and able to cope with the road ahead.

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).

-- Prof. Jeremie Kozey

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.
