Have you ever wondered why you were born, what life is all about, what your destiny might be or if you even have one? Are you facing a giant such as cancer or betrayal in your life and wonder if you will survive? Do you have a call of God on your life and don't know how to get from where you are to where you need to be? Have you ever asked yourself, "What if? What if I had done that instead of this? Do I really have a future and a hope? Even if you've given up on yourself, God has not! This book might just hold some answers especially for YOU! This is the story of my life—really my journey with a supernatural God who was never put off by my faults and failures. It might answer some of the burning questions you have in your own life, or it may simply point you in the direction of your own journey with God.
