The Detective Stories of Edgar Allan Poe (Paperback)

By Edgar A Poe

Resurrected Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Historians of the mystery story credit Edgar Allan Poe with the invention of both the fictional detective and the detective story. With the publication of The Murders in the Rue Morgue in 1841, Poe initiated a genre that has survived and prospered to this day. His creation, the detective Chevalier C. Auguste Dupin served as a model for many subsequent sleuths, and he introduced many of the staples of the detective story such as the locked room. Resurrected Press has brought together the three Dupin stories, The Murders in the Rue Morgue, The Mystery of Marie Roget, and The Purloined Letter, as well as two other stories, The Gold-bug and Thou Art the Man, that also have a place in the form, so that the student of the genre may have them in one convenient, illustrated volume. This classic book was handcrafted by Resurrected Press. Resurrected Press is dedicated to bringing high quality classic books back to the readers who enjoy them. These are not scanned versions of the originals, but, rather, quality checked and edited books meant to be enjoyed!...

Reviews

Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Felton Hessel

Undoubtedly, this is the best function by any writer. It usually will not charge too much. I am just very easily can get a pleasure of looking at a written ebook.

-- Alivia Quigley MD
