## RENEGADE MOON (PAPERBACK)

Montlake Romance, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Half Moon Ranch Somewhere in the lush grasslands of Texas hill country was a place where the sun had once shone on love and prosperity, while the night hid murder and mistrust. There, three brothers and a sister fought to hold their family together, struggled to keep their ranch solvent, while they awaited the return of the one person who could shed light on the secrets of the past. Quince No sooner had he rescued spitfire Glory Townsend from deadly quicksand than Quince found himself trapped in a quagmire, of emotions far more difficult to escape. His homecoming after five years tracking renegades hadn t changed his father s drinking, lessened his rivalry with his brother or resolved the mystery surrounding his mother s death. But those issues felt like easy going compared to the shaky ground he traversed with Glory. Every time he looked into her flashing green eyes he felt himself sinking deeper. Maybe it was time to stop struggling and admit that only her love could save him.
