

Conversations That Matter: A Path to Personal and Professional Growth (Paperback)

By Lorne Ellingson

Trafford Publishing, Canada, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We spend much of our lives in conversation, but how can we harness the power of these conversations to bring awareness, intelligence, energy and focus to our lives? In his book, professional coach Lorne Ellingson presents a clear model for having conversations that matter - conversations that will help you move forward and achieve your goals. Whether you are searching for meaningful work, professional development or to grow as a person, these important conversations will help you to discover who you are, where you want to go, and how you can get there. The model presented consists of seven groups of conversations that follow from each other. The first are conversations about your energy and its focus. Secondly are those concerned with your values, talents and lessons you need to learn. Conversations about the opportunities before you, the goals you will choose and the challenges that come with them follow next. The final group is about the attitudes and behaviours that will serve you well on your journey and the environment you need to create around you that will best support your own...
