Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How Could Goal Setting Be The New Love Language?You may be asking yourself that exact question. Who has ever considering goal setting to be something that could save marriages, make dating easier and create healthy relationships?The author has proven it works by introducing goals into relationship coaching and changed the lives of many couples who saw no way out but to walk away from each other. Some still choose to leave the relationship but in a healthy way knowing they simply had different paths to follow. No messy break up or divorce needed.It is only when a person can clearly articulate their life long dreams that they can openly share them with others. Setting goals gives people the clarity they need to define these dreams and then attract the right partner into their life.As you learn about the secret power goal setting has in relationships you might discover exactly what you need to do in order to bring back and intensify the love in your marriage and relationships.Goal Setting Is Communication In Its Purest FormThe author has been with his wife for over 20 years and had the same fights over money, responsibilities and life as couples sometimes do. They didn t stop fighting over those trivial things until the author finally got it through his thick skull that he needed to simply share his goals with her. Together they finally understood why they viewed things differently, how their goals differed and where the arguments were coming from.They communicated and their love persevered when so many couples who could have didn t. Instead of feeling like they were speaking different languages they started to finally hear and understand each other for possibly the...
