FERTILE GROUND: EXPLORING REPRODUCTION IN CANADA (PAPERBACK)

McGill-Queen's University Press, Canada, 2014. Paperback. Condition: New. Language: English . Brand New Book. Ideas of choice and rights traditionally dominate discussions concerning reproduction and gender politics. Fertile Ground argues that the current political climate in Canada necessitates a broader understanding of the links between the politics of reproduction, the state, and gender relations. Three major themes are developed in the book: women's lived experiences, the role of the state in reproductive politics, and discourses around reproduction. Contributors...
