Brand New Book ***** Print on Demand *****.What started out as a deal quickly became a friendship that conquered monsters. I killed, but I escaped hell. Emotionless. Disconnected. Cold. A mannequin. It's what I'd become in order to survive the years held in captivity. I was able to endure the abuse and devastating loss as long as I remained detached. But he wouldn't let me. Crisis, the bass guitarist in my brother's rock band, Tear Asunder. He's cocky, rude, a total man-whore. But the rock star has far more beneath the surface of his inked skin, and he's determined to make me laugh again. He made me a deal, but really, it was blackmail. His terms were simple. Until his playful honesty became the building blocks to something unexpected. Something strong enough to pull me from the eye of the storm. Because even though I escaped years of abuse, it didn't mean I was free. *Mature audiences only. Shattered by You is written as a standalone, however, it is recommended you read the first two books in the series. Contemporary romance.
