BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 36 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. GAO reviewed the Army National Guards (ARNG) officer candidate schools (OCS) to determine whether ARNG could meet its officer needs more economically and effectively. GAO found that: (1) ARNG officer requirements and the number of officers commissioned through state OCS programs have declined by one-third since 1988; (2) state OCS classes are frequently small and most programs graduate fewer than 26 candidates; (3) ARNG plans for state OCS to provide one-third of its officers through 1996 with the Reserve Officer Training Corps and active-duty sources providing the remainder; (4) ARNG has begun consolidating two of the three phases of the state OCS programs at fewer locations, but it still plans to conduct the middle phase of training at weekend sessions throughout the year; (5) some adjacent states with few candidates are considering further consolidating their training to provide more realistic and economical training; (6) consolidating all ARNG officer training phases into one 10-week course at one site could enhance training quality and reduce costs and the attrition rate; (7) the Army has rejected the option of requiring all officer candidates to attend the OCS program at Fort Benning, Georgia, because it believes that Fort Benning has insufficient capacity, candidates would be unwilling to attend a centralized program, and the consolidated programs quality would not be superior to the states programs; and (8) the Army based its rejection of a consolidated program at Fort Benning on erroneous assumptions. This item ships from La Vergne, TN. Paperback.
