This classic, best-selling book full of hundreds of irresistible, easy-to-perform science tricks and bets is back, and it's better than ever! If you'd like to know how to throw an egg across the room without breaking it, how to burn a candle underwater, how to light a fluorescent lightbulb with a balloon, or how to make fireworks from a grape, this is a must-have book. What makes this edition of We Dare You! different? Throughout the book there are QR codes that will instantly connect kids to highly entertaining videos on all devices, showcasing various experiments throughout the book, and directed by author Vicki Cobb.
