Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This was just one step on the journey that took her out of the boredom of a dull London suburb to experience life as a blues singer, an Ancient Egyptian dancer in the dance group of Dennis Stoll, a volunteer farmworker on a Kibbutz in Israel, and a member of an intentional community. As she moves on her journey she meets an endless stream of interesting and unusual people who mentor, guide, and point her in the direction of deeper meaning to life.
