WAR OF COCKS (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is about 13,000 words in length. Michael the Assassin s only wish is to kill King Cock and end his reign of pain and terror on the common folk. However, as his attempted assassination of the King fails, he finds himself caught in a wicked game of sex and erotic play orchestrated by the devilishly handsome Crucifixion and his manly sex slaves, who s aim is to take him to the deepest depths of his soul and beyond to find out the truths they seek. Michael must lie, cheat and do whatever is necessary to overcome his harsh taskmasters, if he is to survive the temptation of gorgeous man love the King offers and escape to fight another day for the cause he so dearly devoted to. This is an intense gay erotica short story that will send you into the mind of the prisoner and into the deepest darkest depths of sexual deceit.This story is a kick off for the novella War of Cocks (available on Amazon now). It contains light creative S and M with multiple twists of the sexual kind included. This is a gay sex title and only contains male-male interaction (often with multiple participants). All sex is consensual and for adults only. Book Updated (July 31, 2012): - Ending revised due to a number of reviews on various websites indicating the dark ending was not well received. New light ending is HEA (sort of). Thank you for your feedback. - Updated front matter to conform to house style. World Notes, Character Notes, Adult Material Warning added. - Dedications added. Updated for Dick Powers by Lunatic Ink Publishing July 31, 2012.
