Whether it is healing of bodily ailments, emotional ailments or spiritual ailments, all these can be a burden on us. Jesus, during his life time, healed people from all kinds of disease - body, mind and soul. Even today, people come to Jesus looking for a miracle healing and countless have their prayers answered. However, if you are expecting a miracle, it takes more than just asking. One factor is the action of faith. The Bible clearly shows this in the story of the paralytic brought in through the roof by four men. And when Jesus saw their faith he said to the paralytic, My son; your sins are forgiven. This scripture-based therapy helps us build up our faith as we implore God s healing grace. Another important factor is our ability to forgive those who hurt us. Forgiveness is crucial for inner healing. The ability to totally forgive, gives us a feeling of total freedom. The prayer formula in this book guides us through the process. The Catholic Prayer Therapy for Divine Healing is a scripture-based prayer guide for anyone seeking spiritual, emotional and physical healing. Like its counterparts in the series, it has been in use for over a decade and has been instrumental to countless miracles. This is the first time I am publishing it in the book form. If you would like me to pray along with you, or have a testimony, send me a message through the email at the end of the book. May God Almighty hear and answer your prayers. Amen.
