Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dr. Hermann Marvin PhD)

ABOUT ARACHNIDS: A GUIDE FOR CHILDREN (PAPERBACK)

Peachtree Publishers, 2006. Paperback. Condition: New. John Sill (illustrator). Language: English . Brand New Book. Young readers will love this first glimpse into the creepy, crawly, complex world of spiders, scorpions, mites, and ticks in this latest title in the AboutÂ series. Author Cathryn Sill explains in easy-to-understand language what arachnids are, how they live, what they eat, and how they reproduce. Wildlife painter John Sills detailed realistic illustrations reflect the diversity of the arachnid population--from the poisonous Brown Recluse Spider to the innocuous Giant Desert Hairy Scorpion--and present each in its natural habitat. An appendix, which provides further detail on the arachnids portrayed, will inspire young readers to learn more about these fascinating, often misunderstood creatures.
