Penguin Putnam Inc, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. -Crazy, Stupid, Love meets Notting Hill. About an actress making it big and the complicated relationship she has with the guy she met as a teenager. You'll read it in two days-- The Skimm Their meeting in a parking lot outside a high school football game was both completely forgettable and utterly life-changing. Because no matter how you look at it, it is piss-poor luck to meet the love of your life before your life has even started. Fierce and ambitious, Alison transforms into a rising TV star in New York City while her first love, Kyle, all heart and spiritual yearning, becomes a pediatrician in suburban Cincinnati, married to the wrong woman. What could these mismatched souls have to do with each other? Everything and nothing. Even as their fates rocket them forward and apart, neither can fully let go of the past. As their lives inevitably intersect, Alison and Kyle must face each other in the revealing light of their decisions. I m Glad About You is a glittering study of how far the compromises two people make will take them from the lives they were meant to live. From the Hardcover edition.
