Coal Dust to Stardust is a delightful and romantic work of fiction with a strong, unforgettable heroine, Emily Marie Taylor. All Emily ever wanted was to make her mark in the country music world. Emily, a beautiful, sweet, country girl with flaming red hair and emerald green eyes captures the attention of three men. All love her and all attempt to win her love through various means: dedication, obsession, and deception. Robert Ward, Emily s true love, fathers her child, Hope but is deceived into believing Emily was unfaithful. He leaves and finds a life in another country, only to return and discover that the child may indeed be his own. Enter Joseph Blankenship, the Tennessee millionaire who has suffered unimaginable tragedy, but finds an enduring love with Emily. Then there s Marvin, Emily and Robert s friend who has always held a secret torch for Emily and weaves a web of lies so complex, it shatters the lives of many. Can Emily find the love she so desperately seeks? Will she have to give up her dream of fame and fortune or can she have it all? Tonia Hopson has written a novel with raw emotion and great sensitivity. Filled with unforgettable...
