Coyote Canyon Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Road Not Taken, Birches, and Other Poems contains some of Frost s best-known, anthologized, and closely examined poems, such as The Road Not Taken, An Old Man s Winter Night, Birches, and Out, Out--- . As a whole, the volume is a reflection on space and time, on the boundaries where city meets country, where humans meet nature, and where humans meet each other. In addition, his portraits of women---particularly The Witch of Coos and Wild Grapes ---are among the finest and most complex in the English language. Like the speaker in The Road Not Taken, these poems will continue to be read somewhere ages and ages hence.
