

By Moon and Star: Driving Arcana, Wheel 1 (Paperback)

By Goldeen Ogawa

Heliopause Productions, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to a world where the natural and the supernatural mingle—sometimes with devastating results. Selene Shields and Clara Nordstern know this world, have seen everything from werewolves to witches, ghosts, ghouls, and even an angel. But they've never seen anything quite like Jill Hamilton, a grad student from UC Santa Cruz, whose reaction to losing her boyfriend in a rabid chimera attack is to go out and study the very things normal humans are supposed to ignore. So begins the saga of Driving Arcana: three women in a big truck, chasing unicorns, interviewing vampires, and hunting monsters—to fight evil, protect humanity, but mostly, for science. BY MOON AND STAR contains all the stories from Rotations One, Two and Three, plus a tie-in short story that further illuminates the subversively magical world of Driving Arcana.

Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Cassandra Von**

This is an awesome publication which i have actually read. This is certainly for all who statte that there was not a well worth reading through. Its been designed in an extremely straightforward way and it is merely after i finished reading this ebook in which actually changed me, affect the way in my opinion.
