

No Longer Me: Biblical Reflections on What It Means to Walk in the Spirit (Paperback)

By F Wayne Mac Leod

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a day when almost anything seems possible through technology and human wisdom, we need to be reminded again why we need the Holy Spirit and his enabling power. In a day of mass communication, we need to learn how to distinguish the voice of God from all other voices calling for our attention. Learning to walk as God requires is a lifetime effort. Scripture, however, does speak powerfully of our need of a strength greater than our own to live the life God requires. Could it be that one of the greatest tragedies of the Christian life is that we have never learned the importance of the Holy Spirit's role in our lives?.
