Heather s unsure what to make of Nana Vancy when Annabelle and Isabel bring her around, but she soon decides that the three older ladies are up to something. It takes a little longer for her to realize that what they re up to is trying to fix her up with Professor Henry Hanson. Heather s not against the idea of dating, and she certainly loves the professor s daughter, Lissa.but whenever she and the professor are in the same room sparks fly as they spar. But perhaps there s a chance that the sparks aren t really two people who can t get along, but rather are the sparks of two people that could learn to get along very well indeed with a little nudge from their three matchmaking cupids!.
