How to Develop a Better Speaking Voice (Paperback)

By Marjorie Hellier

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever heard your voice played back on a tape recorder? The first time you heard it, you probably said, That s not me. The following thought was probably, Do I sound like that when I talk? And, the third silent thought was, Better do something about it quick! But, what to do? How do you start improving your voice? The best solution is to take lessons from a voice teacher. This, however, costs money and takes time, both precious commodities. If your career is in the acting profession, this is the only solution. But, if you are not directly connected with the entertainment world, you will not want to go to such lengthy measures. Having a good speaking voice is an asset in any profession, and nothing is more revealing about your personality than your voice. What does the voice do? It reveals all the emotions inherent in man: anger, frustration, happiness, contentment, etc. Actually, the impression you make on other people is not done with words, but how you speak them. The most important word in...
