Bushcraft: Skills And Tools To Make You Comfortable In The Wilderness Here is a book, Bushcraft Survival Guide: Tips and tools to help you make yourself comfortable in the wilderness, with all the basic information on how to survive in the rough conditions the wilderness presents. This guide explains in simple terms what bushcraft is about, and explains clearly why bushcraft is essential for everyone, even when you live in an urban setting and have no plans of venturing into the wild. What do you do if a tornado sweeps off your roof and those of your neighbors? If you are adept at bushcraft, you cannot panic. Instead you apply the survival skills you have to make your situation bearable, using the materials available to make shelter, to filter water for use, and even to make fire and keep you and your family warm. This book is great, not only for someone who has no clue about bushcraft, but also for people who have learnt survival skills but want to polish them. Just as in other areas, you can only be certain you are well prepared when you keep testing your skills. So even for veterans, once you read such a guide, you will refresh your mind on the skills you may have forgotten, something that will ultimately give you a fresh boost of confidence. The main points you are going to learn in this book include: A summary of what bushcraft entails The actual skills you need in order to survive in harsh conditions How to make preparations for...
