Xlibris Corporation. Paperback. Condition: New. 144 pages. Dimensions: 8.8in. x 6.0in. x 0.1in. There really is no place like home when it comes to developing competent readers and writers. And with the aid of our new world changing guide the process and the goal of developing lifelong readers and writers will be greatly facilitated. Many years ago we set about finding out what type of reading and writing help parents and other adults were giving children and how it was working. We asked everyone and anyone who would talk with us and we came up with some rather startling information to share in our guide. Now talking with parents, grandparents, adults and children about the reading and writing activities they have experienced at home is second nature to us. Through the years, we have discovered that a great many things are happening in American homes relative to helping children in these areas and even greater things are possible. The purpose of our book (We like to call it a guide.) is to awaken parents, grandparents and other adults, who work with children, to the great possibilities that are open to them that will revolutionize learning now and for future generations. The ideas, suggestions and strategies in our guide step off from the interests of the learners (which are the best indicators of what the children are ready and able to learn next) as opposed to act curriculums and textbooks which often have an iron grip on what is available for young students to learn. We show our readers how to take advantage of the great knowledge they have about their children and how to use it to guide their childrens learning. , and, more especially, to identify what is the next appropriate step for their children to take in their...
