Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Please note this is a Revised Edition. This edition has a new cover with photos by Steve Carr featuring Another Place by Antony Gormley at Crosby Beach. A place that has inspired Bev s poem of the same title. In this her first collection she takes her inspiration from the surrounding landscape of the Wirral and particularly the River Mersey. The river has so many stories it is an excellent creative influence as are the changing seasons in the local parks and gardens near her home. Bev has deliberately chosen popular poems as she wants it to be accessible to everyone who can appreciate the sentiment and mood of the stories and pictures these poems create. Taking a month by month journey through the year we see the ever changing seasons but Bev also touches on progress, change, history and memories. On her daily walk she often takes photos which are the starting point for her poems, short stories and plays.
